## Annual Dinner

WMPA is pleased to support Operation Gratitude in connection with our upcoming Annual Dinner. Operation Gratitude sends Care Packages filled with various kinds of items to U.S. Troops, First Responders, Veterans, Military Families and Wounded Heroes. **We have been requested to donate men's black crew socks and/or men's travel size deodorant as these items are in great need.** This project provides our association with the opportunity to express our gratitude to those who serve. Please consider donating these items at the Annual Dinner.
